Detailed Itinerary

Maryborough - World Record Pub Crawl

Departing Brisbane, Australia

Saturday 9th June – Tuesday 12th June 2007

Day 1 – Saturday 9th June

Meeting at 9am sharp at Brisbane Transit Centre (Roma Street, look for Brisbane Minibus Charter), you'll be taking the Thirsty Swagman bus with over 30 others direct to Maryborough (approx. 3 hours drive), where we'll do our own "mini-pub crawl" (practice run!) that same night at some of the local pubs. Maryborough has a lot of history, so check out the town during the day as well.

Day 2 – Sunday 10th June

This time, you're going for the **world record!** Starting at 10am and joining over 3,000 others in the 3rd annual attempt on the world's largest organised pub crawl, you'll be hitting the bar in at least 10 pubs to qualify! It's an all-day-er and night-er...

Day 3 – Monday 11th June

Recovery! We'll also be doing a de-brief and making sure everyone who took part has handed in their official crawl cards, to qualify for the record.

The highlight of today will be a tour of the [Bundaberg Rum Distillery](#), in Bundaberg (about an hour north of Maryborough). It includes 2 free drinks, and we'll be heading straight to the East End Hotel just down the road afterwards for a few hours.

There will also be plenty of time to share your story with people from all over the world today, and enjoy some quite beers later in the afternoon. Perhaps an early night for some, or another last hurrah for others... either way, you'll look back on this as one week to remember for life!

Day 4 – Tuesday 12th June

Depart Maryborough at 9am at to catch the bus back down to Brisbane, arriving there approx 12:30pm.

Things to note:

- No alcohol to be consumed on the bus (sorry, it's Queensland law)
- This trip **INCLUDES** breakfast and dinner (except dinner on Sunday 10th – when you'll be pub crawling)
