## *Your Adventure*

Are you ready for a full-scale assault on the most incredible pubs and bars of South East Asia?

From the amazingly diverse nightlife areas of Singapore, to the hardcore party pad of Bangla Road in Phuket – the Asia Annihilator tour will simply rock you!

You'll kick off on Singapore's famous Orchard Road and Clarke Quay nightlife strips, where a smorgasbord of pubs and bars will light up the weekend nights for a truly unique pub crawl experience. With Irish pubs and Blues Music bars, to watering holes right by the river, this is bar-hopping in style.

And when you thought you've seen it all, your party scale will go up a notch... or 10.

Welcome to the wildest celebration on earth: Songkran, the Thai New Year. It's an incredible event where thousands of partygoers hit the streets for 3 nights of non-stop festivity.

You'll have centre stage at Rock City, **the world's hardest rocking pub**, with VIP entry, endless hours of hard, live music, and a pub crawl experience you'll never, ever forget.

With some of the best-sounding tribute bands belting out your favourite tunes (AC/DC, Metallica and Guns'n'Roses just to name a few), you'll be hammering the night away until the sun comes up.

Had enough? Harden up princess, because an entire street of pubs and nightclubs is just around the corner, ready for an onslaught!

**The weak need not apply!**

## *Your Pub Crawl Destinations*

They offer the finest sights in Singapore & Thailand: the inside of their pubs and bars!

### ***Singapore***

After hours, Singapore practically transforms itself to a buzzing network of bars and nightclubs.

Surprisingly to many, it has one of the best nightlife scenes in Asia and caters for almost every taste. Bars and nightclubs have blossomed in a big way in the Lion City, and partying the night away has become a norm.

A variety of pubs, ranging from Irish pubs to music bars with a uniquely South East Asian flavour, are dotted along Clarke Quay – a nightlife haven on the river front, which is patronised by serious party goers every weekend. And for partying in style, Orchard Road caters for even the most extravagant drinkers.

Most bars have happy hours, where drinks are at a sharp discount or standard drinks like vodka tonic are on one-for-one offer. And best of all, the beer is always ice-cold!

### ***Phuket, Thailand***

Only one word describes Phuket – hard. The reason? Rock City, the hardest rocking pub on planet earth. Absolutely no bar anywhere else can compare in pure power factor, and you'll be treated like a VIP with special entry and exclusive live cover bands that hammer out versions of *Thunderstruck* and *Whiskey in the Jar* so real, you'd swear it was AC/DC and Metallica up on stage.

And you'll be celebrating the ultimate New Year's Eve: Songkran, the Thai New Year which kicks off on April 13<sup>th</sup>. It's the world's wildest party, bar none.

Since you're here for 3 nights, you'll also be nailing drinks at the Tiger Bar, a place that's guaranteed to blow your mind away, as well as some of the hundreds of smaller bars offering an almost unlimited choice of entertainment within walking distance of your beach-side resort - where you'll awake, eventually, to a massive swimming pool in pure luxury.

Simply put, Phuket offers THE most hammertime pub crawling you will ever do in your entire life!
