Your Adventure

Ever dreamt of staggering to the best bars and nightclubs at the world's hottest party destinations?

Then our awesome pub crawl tour to South America is the ticket for you!

South America Gone Wild! takes you on a 12-night adventure to Argentina, Brazil and Miami (USA) with a bottle in hand and more hot bodies to look at than you ever imagined.

Starting in South Beach, Miami, your journey begins with 2 nights of VIP access to the wildest of its 150+ pubs and bars, including front-of-line entry, all cover charges and your own private party guide.

After a good hammering, your plane awaits you for your flight to the world's party capital – Rio de Janeiro! And you'll be staying at a 4-star Hotel right on the most famous beach on earth, Copacabana.

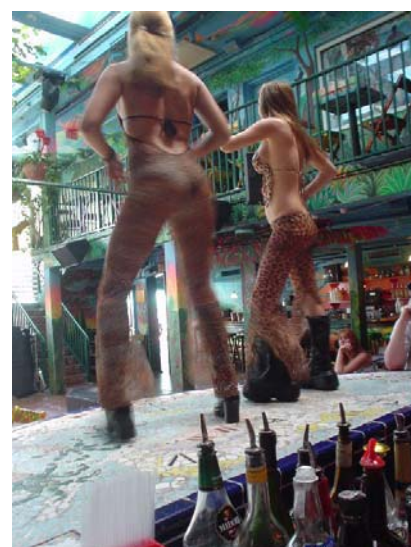

It's full-on party time now, so get ready for action because Rio will blow your mind away with its amazing nightlife that simply never ends. You will meet the sexiest people on this planet (yes both girls and guys) and party like there's no tomorrow.

Just when you thought it was all over, get your boarding pass out for your flight to Argentina's Buenos Aires.

With an unrivalled passion for nightlife, you'll find the locals here extremely willing to meet tourists at pubs and bars. And even better, Buenos Aires is inexpensive, making your beer-dollar go much further.

You'll be on drinking-duty here for 5 straight nights, trying out some amazing local cocktails and pub crawling through the hardest-going bars in the country.

Get ready to go wild.

Your Pub Crawl Destinations

They're the finest the USA, Brazil and Argentina have to offer.

South Beach Miami, USA

With an incredibly active bar scene, South Beach is host to over 150 pubs and clubs of which most don't close before 5am.

Nightlife here is dynamic and ever-changing as bars constantly change décor, name and owner and usually only remain open for a season or less – making every pub crawl there a unique, one-off adventure!

Rio de Janeiro, Brazil

Welcome to the world's number 1 party town.

Rio is completely incomparable to any other city, with a vibe that has to be experienced to be believed. You'll be pub crawling to its very best bars and clubs every night, with some of the most beautiful (usually single) people on earth.

Rio nightlife starts late (midnight is early) and never really finishes, so expect some long nights. Drinks are inexpensive, ranging from \$0.75 US to \$5.00, with beer around \$1 US a bottle. Great bang-for-buck!

Accommodation is at the 4-star Hotel Martinique on the world's most famous beach – Copacabana.

Buenos Aires, Argentina

It's the Paris of the South – except they drink much harder here.

With their incredible amount of passion and excitement for nightlife, party-goers in Buenos Aires seem to never sleep. They hit the bars fairly late (a 12am or 1am start is normal), so expect to pub crawl until the early hours of the morning.

As a tourist destination it is incredibly undiscovered, so you'll be quickly embraced by locals (porteños) eager to meet foreigners. Buenos Aires is also very inexpensive (around half the price of the USA or Europe for an average night out) so there's great drinking bang-for-buck.
